47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't kill small competition to large telecoms. I use a small ISP and the big ones are trying to muscle them out. I and thousands of others oppose this monopolistic attempt to gain more of the market.

Local ISP are good for the community and can move faster and be more responsive to the common people like my self. So do your job and stop this nonsense.
